<sup>1</sup>Drugs prescribed by non-Kaiser physicians are not covered, except for dental prescriptions. Medications to shorten the duration of the common cold and treatments for hair loss or hair growth are not covered. Compounded drugs are covered only if the product is on the drug formulary or if one of the ingredients requires a prescription by law. Drugs for treatment of sexual dysfunction are covered at 50% of the member rate with a maximum of 27 doses for a 100-day supply. For drugs dispensed in limited amounts due to market shortages, the pharmacist may fill the prescription for a supply of less than 30 days but still require the full copay.

<sup>2</sup>Preventive care coverage includes preventive services rated A or B by the U.S. Preventive Services Task Force, based on federal regulations and age and frequency guidelines. Coverage also includes certain over-the-counter prescription drugs when prescribed by your doctor and obtained at a pharmacy counter. See the plan's EOC for details.

### SB 245 – Health Care Coverage: Abortion Services: Cost Sharing

This law requires a health plan contract issued, amended, renewed, or delivered on or after January 1, 2024, to provide coverage for abortion and abortion related services, including pre-abortion and follow-up services without imposing a deductible, coinsurance, copayment, or any other cost-sharing requirement.

### For Additional Information

For additional information, including plan limits and exclusions, see the plan's benefits booklet — also called an evidence of coverage (EOC) — at [www.my.kp.org/ca/caltech](http://www.my.kp.org/ca/caltech).

*This summary of plan benefits is not a contract. It describes benefits in general terms. Consult the individual plan booklets for specific details of benefit coverage. To permit a brief summary of benefits and services, use of actual contract language has been minimized. This summary does not replace the legal documents that establish the plans. Final interpretation of any provision of the plans will be governed by the master policies and service agreements, which are on file in the office of the plan administrator. The Institute expects and intends to continue the Caltech benefits program but reserves the right to amend, modify, suspend, or terminate it, in whole or in part, at any time and for any reason. If you are enrolled in Medicare, your Caltech medical plan coordinates with your Medicare Part A and B coverage.*
