¹Drugs prescribed by non-Kaiser physicians are not covered, except for dental prescriptions. Medications to shorten the duration of the common cold and treatments for hair loss or hair growth are not covered. Compounded drugs are covered only if the product is on the drug formulary or if one of the ingredients requires a prescription by law. Drugs for treatment of sexual dysfunction are covered at 50% of the member rate with a maximum of 27 doses for a 100-day supply. For drugs dispensed in limited amounts due to market shortages, the pharmacist may fill the prescription for a supply of less than 30 days but still require the full copay.

²Preventive care coverage includes preventive services rated A or B by the U.S. Preventive Services Task Force, based on federal regulations and age and frequency guidelines. Coverage also includes certain over-the-counter prescription drugs when prescribed by your doctor and obtained at a pharmacy counter. See the plan's EOC for details.
